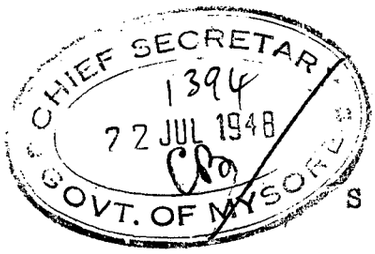
To

The Chief Secretary to Government,

BANGALORE.



Sir,

I am directed to state that the Government Notification No.6055/CB 239-47-1 dated 25th February1948 constituting the Gopala Rao Enquiry Committee and subsequent orders of Government sanctioning the necessary staff therefor have not specified the period for which the Committee may function or the staff be retained. The Comptroller to Government is therefore likely to take objection to passing the salary, establishment and other contingent bills/for of the Committee July 1948 and onwards under Article 72(3) of M.C.A.C. Volume I which reads that in the absence of an express order specifying the period for which a temporary establishment should be retained, it should be considered to be terminated at the end of the official year in which the sanction is accorded". As the Committee is likely to sit for a few months more, it is requested that sanction of Government may be obtained for continuing the existing staff until further orders. The Comptroller to Government may also be kindly requested to admit all bills connected with the Committee for July 1948 and subsequent months provisionally till orders of Government are passed in the matter.

I have the honour to be,
Sir,
Your most obedient servant,

N.V. Gopala Rao
